Government of the Republic of Macedonia
Dame Gruev 14

The Republic of Macedonia

Dear Minister Gruevski:

Barbour Griffith & Rogers, Inc. (BG&R) is pleased to submit a proposed government relations plan and contract for your review and signature.

BG&R is a Washington, D.C.-based government affairs firm specializing in US and foreign government lobbying and legislative advocacy. BG&R advises and represents the interests of leading multi-national corporations, foreign governments and trade associations on defining issues of public policy often with intense visibility and multi-government jurisdictions. BG&R understands the unique political requirements to succeed in today's evolving global economy. BG&R has substantial experience working in Eastern Europe and has specific involvement in US and EU issues relating to Macedonia, Montenegro and Serbia.

Upon execution of this agreement, BG&R will develop a comprehensive overall strategy consistent with our proposed work plan to represent Macedonia before various government officials and entities to improve relations with the United States and Europe, as well as establish business relationships in the Information Technology & Communications (ITC) industry.

Fees:

As compensation for our services, the Government of Macedonia will pay BG&R \$30,000 (US) per month beginning April 18, 2001 and ending December 31, 2002. This retainer will cover the involvement and assistance of Jason Miko. In

addition, the Government of Macedonia agrees to pay all necessary and reasonable business expenses related to this work subject to the following provisions.

Expenses:

- *Administrative Expenses – Capped at (US) \$3,500 Monthly:* BG&R will bill actual ordinary expenses to the Government of Macedonia on a monthly basis. These expenses will include long distance telephone costs, photocopying, Internet services, fax printing, meals, entertainment and local transportation. These costs will be capped at \$3,500 per month. Should BG&R reach its monthly allotment, we will seek approval from you to exceed the agreed allowance.
- *Travel Expenses – pre-approved by written consent:* All out of country travel will be pre-approved by client in advance of trip departure. BG&R will submit a written budget estimate of travel costs, including anticipated airfare, hotel accommodations, meals and entertainment expenses. BG&R will seek written consent on submitted travel budgets, and all out of country airfare will be prepaid before commencing travel.
- *Supplemental Program Costs – Pre-approved on a Project Basis:* In order to keep its monthly fees relatively low, BG&R may from time to time submit to the Government of Macedonia a plan for supplementary activities not covered by BG&R including research, public relations or specific lobbying projects. Once approved, these activities would be contracted by BG&R and the cost would be added to the monthly invoice for expenses for the months in which these services are engaged.

Termination of Agreement:

Notwithstanding the above, either party may terminate this agreement upon 60 days written notice, with no further obligation, other than to pay such fees and expenses that would have accrued up to and through the 60-day notice period. Likewise, this agreement can be renewed and extended beyond the time set out herein on terms mutually agreeable to the parties.

Invoices:

Our firm will invoice the Government of Macedonia on the first day of each month, beginning June 1st, 2001. Professional fees will be invoiced in advance, while expenses will be invoiced for those incurred during the prior month. The prorated fee for the first two months of April and May in the amount of \$43,000 (US) will be payable upon execution and delivery of this contract.

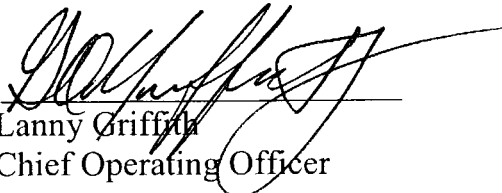

Confidentiality:

BG&R recognizes that in the course of our representation of the Macedonian Government, we may become aware of information, practices, or policies which you may wish to keep confidential. Our firm agrees to maintain that confidentiality and not disclose to any outside party information either during the period of this contract or thereafter.

We are looking forward to a long and productive relationship with the Government of Macedonia, and we are eager to start working on your behalf. I have enclosed two signed copies of this contract. Please execute both copies and return one to me for our records. Should you have any questions, please do not hesitate to contact me.

ADDENDUM TO EXHIBIT "B" OF THE REGISTRATION STATEMENT

7. The nature and method of performance of the contract between the Registrant and foreign principal will include arranging meetings with executive and legislative branch officials; arranging interviews for the foreign principals with the American and Macedonian media; and, advising the foreign principal on the interplay between the executive and legislative branches in the formulation of US policy in the Balkan region.

8. One activity that the Registrant has already engaged in was arranging a dinner for President Trajkovski, as noted in Question 10(c) of the Registration Statement. The purpose of this dinner was for the President and Finance Minister to meet members of the American business community. During the dinner there was wide ranging discussion on US-Macedonian relations, Balkan policies of the new Bush Administration, and trade and investment opportunities for US companies in Macedonia. In addition, the Macedonian Foreign Minister spoke about the recent border instability that their country has been facing, and the ways in which the US government can assist them with regard to this problem.

In general, the Registrant will seek to engage in activities, such as meeting with executive branch and legislative branch officials, in order to brief them with information on Macedonia and the problems it faces. In addition, the Registrant will stress the importance of Macedonia as a strong democratic ally, in an unstable part of the world, that is important for US foreign policy interests.

9. The political activities that Barbour Griffith & Rogers, Inc. (Registrant) will engage in on behalf of the Government of Macedonia (Foreign Principal) include seeking increased American trade and investment in Macedonia, seeking increased foreign aid from the United States, and seeking release of aid monies already appropriated by the United States Congress.

The registrant shall attempt to affect these goals by meeting with and briefing Executive Branch officials, as well as Members of Congress and their staff. The Registrant and Foreign principal may work to encourage visits to Macedonia by Congressional Delegations.

The registrant also engaged in political activities defined in Section 1(o) of the act when it arranged and coordinated the Macedonian President's and Foreign Minister's recent visit to Washington, DC.
